Dear Sponsors,

October 28-30, 2022 is the date set for the 2<sup>nd</sup> Annual Old-Time Greene County Fair. Following our Mission Statement 'Hometown people dedicated to the betterment of Greene County and preserving a progressive, but country way of life', plans are being made for a time filled with homemade, homegrown, hometown family fun and fellowship.

Greene County has a tremendous amount of talent that we would like to showcase as well as providing a GREAT time for all. Planning is in progress and again this year we would like to count on you for a sponsorship for the fair. It is our desire to grow the fair larger and use proceeds for improvements and upgrading of the Greene County Rural Event Center.

Your generous sponsorship will be appreciated and will entitle you to an advertisement display at the fair and on the OTGC Fair Facebook page. Returning sponsors will receive a seal to place on your framed fair poster from last year. New sponsors will receive a framed poster this year. You will receive free passes according to your level of sponsorship.

It is our hope you will join us this year for another great time at the OTGC Fair.

Sincerely,

Missy Lewis, Coordinator, Rural Event Center
